The Complete Artist Foundation Program

Build the Foundation. Unfold the Artist

- A structured learning journey across music composition, singing and music production. It helps musicians move beyond a single skill and develop the creative, technical and artistic thinking required to begin their journey as complete artists.

For artists who only need a laptop to create music

Your Network

Our Platform. Shared Success

- If you have access to artists, musicians, students, or creative communities - you have everything you need to partner with TSC Academy.

UNIVERSITIES & INSTITUTIONS

- Music departments, cultural offices, and international student bodies at universities across India and abroad.
- If your campus has artists, we have their next step.

INDIVIDUALS WITH NETWORKS

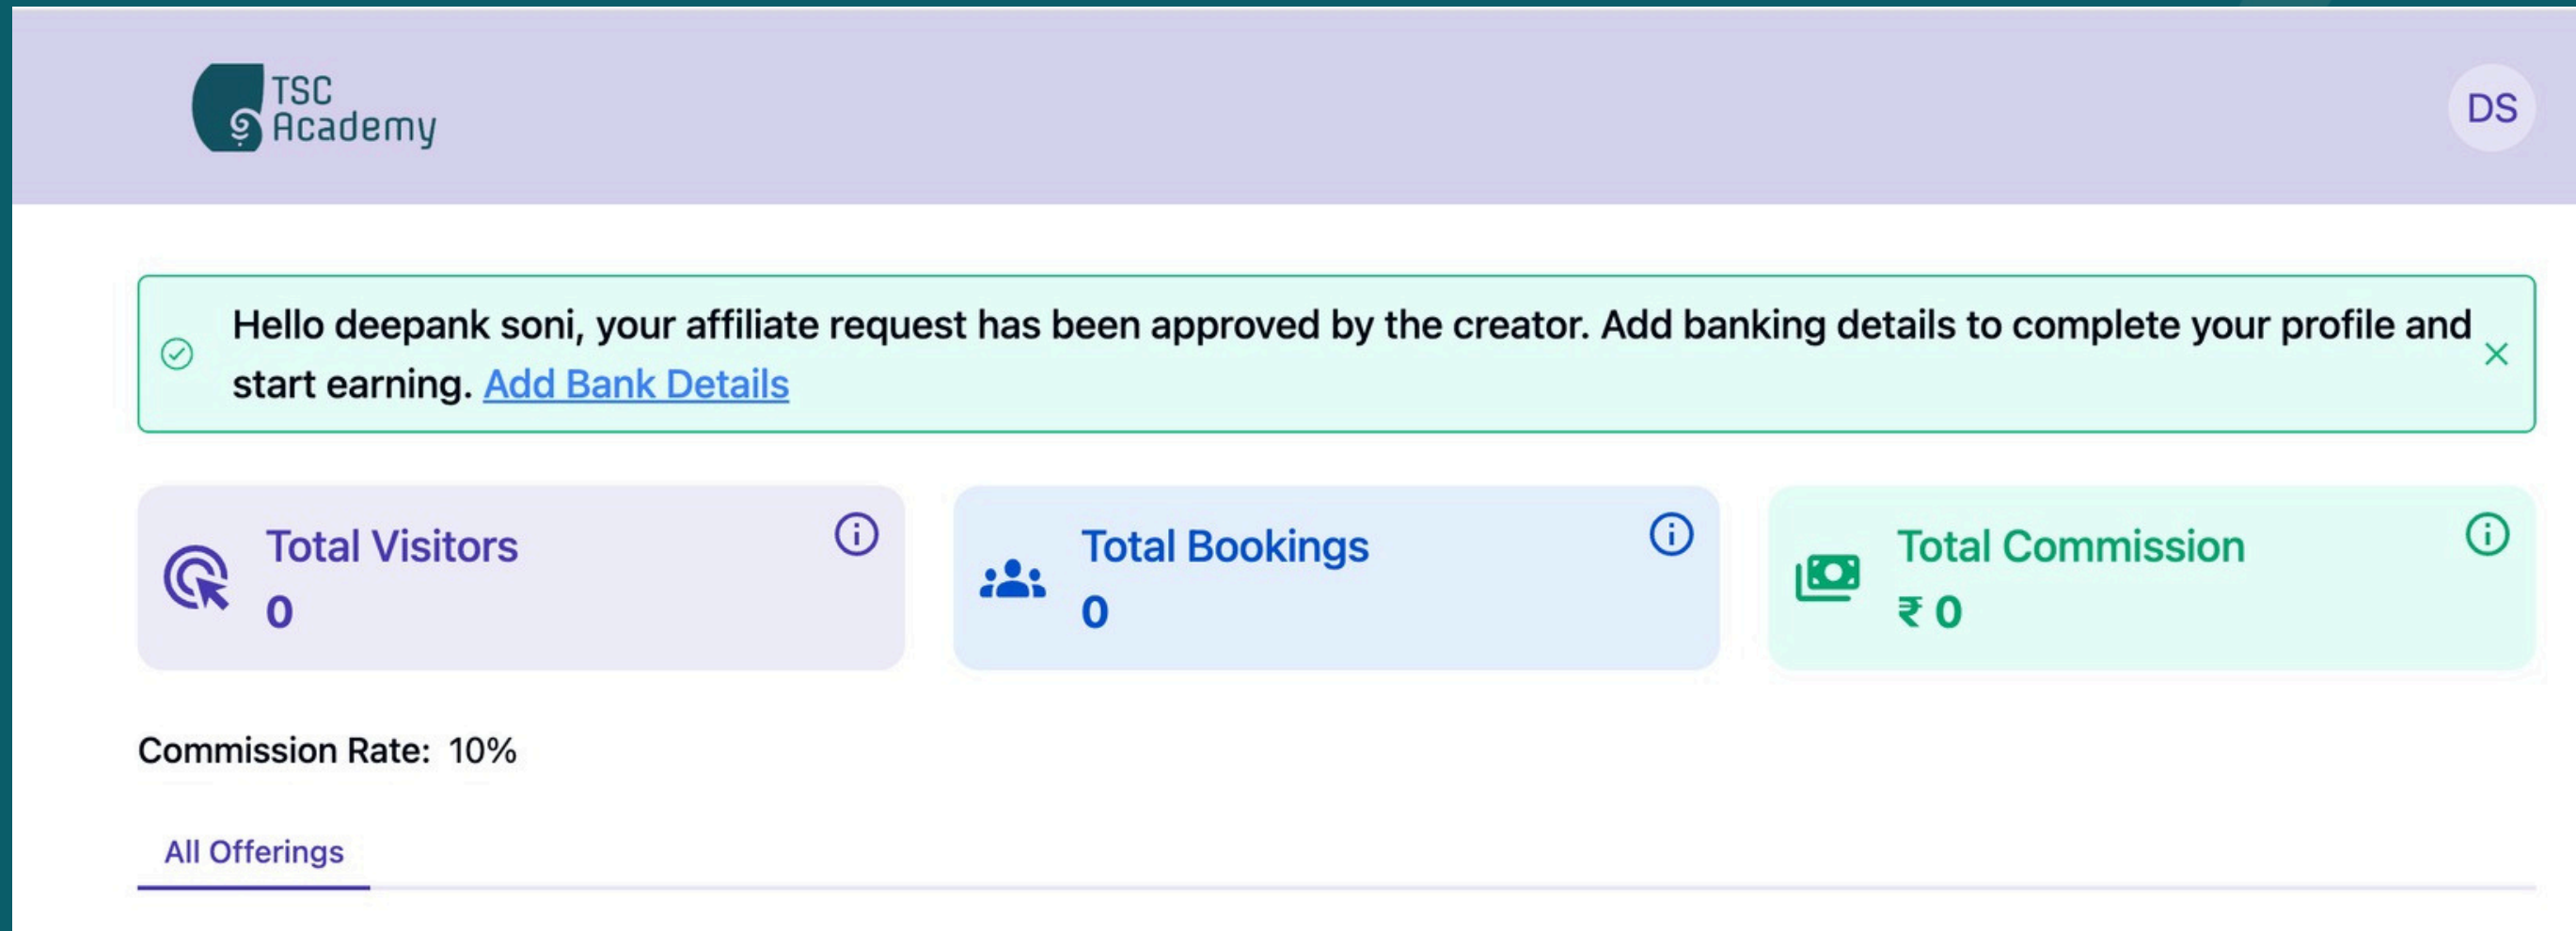

- Music teachers, coaches, producers, industry professionals, content creators, and community leaders who have the trust of artists and students in their orbit.

PLATFORMS & COMMUNITIES

- Online music communities, creator collectives, music blogs, YouTube channels, or any platform whose audience overlaps with artists who want to grow professionally.

How Does This Work

- Apply and get your affiliate link on your email.
- Log in to your Dashboard

The screenshot shows the TSC Academy affiliate dashboard. At the top, there's a purple header with the TSC Academy logo on the left and a user profile icon labeled 'DS' on the right. Below the header, a green notification box with a checkmark icon contains the message: 'Hello deepank soni, your affiliate request has been approved by the creator. Add banking details to complete your profile and start earning. [Add Bank Details](#)'. Below the notification, there are three performance cards: 'Total Visitors' with a target icon and a value of 0, 'Total Bookings' with a group of people icon and a value of 0, and 'Total Commission' with a wallet icon and a value of ₹ 0. Each card has an information icon (i) in the top right corner. Below these cards, it says 'Commission Rate: 10%'. At the bottom, there's a link 'All Offerings' underlined.

How Does This Work

- Once you log in you get to pitch all of our flagship courses.
- Share with your network, from Students to Universities to Music Communities etc.
- Courses can also be pitched in bundles which means 2 or 3 courses paired together with a discounted price. (The links to the same would be visible in your dashboard).

The dashboard displays three key metrics at the top: Total Visitors (0), Total Bookings (0), and Total Commission (₹ 0). Below these, the Commission Rate is set at 10%. The 'All Offerings' section features two course cards:

- The heART of Music Composition** by Sandesh Shandilya. It is a comprehensive course with content in videos and files. The referral link is for a comprehensive course by Sandesh Shandilya, priced at ₹ 3499 or \$ 79.0, valid for 26 weeks, with 81 links. It shows 0 visitors, 0 bookings, and 0 commissions.
- The Roots Of Hindustani Classical Music** by Pt. Prasad Khaparde. It is a comprehensive learning program with content in videos and files. The referral link is for a comprehensive learning program by Pt. Prasad Khaparde, priced at ₹ 3499 or \$ 79.0, valid for 26 weeks, with 69 links. It shows 0 visitors, 0 bookings, and 0 commissions.

Each course card includes a 'Share Affiliate Link' button at the bottom.

The 'Share Affiliate Link' modal provides five sharing options: WhatsApp, Twitter, E-mail, Facebook, and Text. At the bottom, it displays the 'Affiliate Link' as <https://shrt.n.in/lfMvLD>.

How Does This Work

- The students who enroll through your link get the courses at a discounted price.
- Once someone purchases through your link you get a 10% commission.
